**“Tita’ ki te Tita’ kore Project**

**Project Objective:** To collect and remove legacy waste from Rarotonga households, relating to end-of-life vehicles (ELVs), Electronic Waste (E-Waste) and Whiteware.

**Description of Project:**

The National Environment Service is excited to collaborate with Cook Islands General Transport to announce the launch of the **“Tita’ ki te Tita’ kore Project.”** This initiative is aimed at tackling the environmental and health risks posed by the disposal of whiteware, electronic waste (E-Waste) and end-of-life vehicles (ELVs) on Rarotonga. This forward-looking initiative reflects the Government’s commitment to environmental stewardship and sustainable waste management practices.
